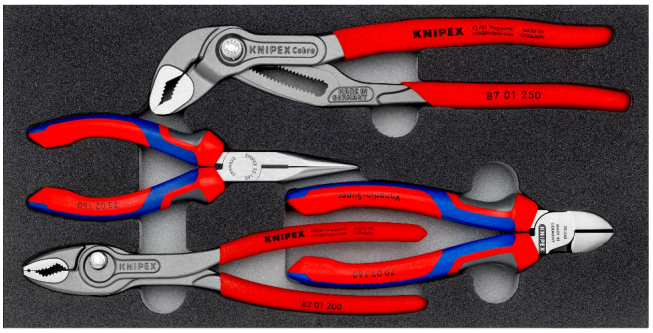
KNIPEX Pliers Set “Basic II”

4 parts

In a foam tray



- Greater organisation and quicker access: foam insert for workbenches and workshop trolleys with precisely machined recesses for the safe and organised storage of your pliers
- The foam insert, milled to fit perfectly, ensures secure storage even when the workshop trolley is being moved and allows you to quickly check that everything is present

- Foam tray dimensions (W x H x D): 335 x 165 x 33 mm
- Material: two colour, closed pore foam
- Ideal selection of high-quality mechanic’s pliers: versatile set of 4 pliers in KNIPEX quality
- Flat-nose pliers with cutting edge 25 02 160 and diagonal cutter 70 02 160 with Comfort handles and two KNIPEXtend cutting surfaces each, KNIPEX TwinGrip 82 01 200 and KNIPEX Cobra® 87 01 250 with non-slip, plastic-coated handles
