

950/9 Hex-Plus 8 L-key set, metric, chrome-plated, 9 pieces

L-Keys for Hexagon Socket Screws

EAN:	4013288230171	Size:	250x110x80 mm
Part number:	05022102001	Weight:	628 g
Article number:	950/9 Hex-Plus 8	Country of origin:	CZ
		Customs tariff number:	82041100

- Rack that can be set upright on the table or hung on the wall
- Integrated clip which can be removed for mobile use
- Removable magnet for magnetising and demagnetising tool tips
- L-keys for hexagonal socket screws
- Hex-Plus allows socket head screws to live longer
- Metric
- High corrosion protection thanks to chrome-plating

9 chrome-plated L-keys with Hex-Plus advantage to prevent rounded screws - a strong tool set for hexagonal socket screws. Convenient storage in a rack that can be set upright on the table or hung on the wall. Integrated clip which can be removed for mobile use. On top of that, the rack includes a clever removable magnetiser that can be used to magnetise (and demagnetise) screws and tool tips; no more struggle to hold the screw with the second hand.

L-Keys for Hexagon Socket Screws

Hex-Plus

Hexagon screws can endure a problem because the contact surfaces delivering the power from the conventional tool, is transferred to the screw via very small surface areas. The consequence: the screw can become damaged (rounding out). Hex-Plus tools have a greater contact surface that prevents this from happening! At the same time, as much as 20 % more torque can be applied. Good to know: Hex-Plus tools fit into every standard hexagon socket screw!

Ball tip

The spherical drive profile means that it is possible to swivel the axis of the tool to that of the screw, and therefore enable angled, "around-the-corner" screwdriving jobs.

Size identification

The size of each L-keys has been engraved by a laser. In addition Take it easy L-keys have a colour coding according to sizes - for simple and rapid accessing of the required tool. Making it easy to find the right tool.

Surface protection

Chrome-plated hexagon L-keys for outstanding surface protection and long service life. High corrosion protection.

Clever storage for L-keys

The rack for the L-keys can be set up on the table or hung on the wall.

Clip for take-away

The clip is removable; so the L-keys can also be taken out and about.

Removable magnetiser

The rack includes a removable magnetiser that can be used to magnetise (and demagnetise) screws and tool tips.
